By checking this box you are consenting to your submission being used to inform the environmental impact assessment of this proposal, and understand that your comments will be provided to the proponent for a response. If you wish your comments and / or any part of your submission (i.e. name and contact details) to be treated as confidential, please make a specific request in your submission. It is important to note that a request for confidentiality does not make your submission automatically exempt from disclosure. While the department will use its best endeavours to comply with your request, your submission (or part thereof) may still be disclosed if required under the Freedom of Information Act 1992, for procedural fairness purposes or under any other applicable law.:

Yes
